## BAGGAGE STORAGE:

Located in Nizuc beach parking lot, next to the starting pens, you will find a tent, where you will be able to check in any baggage before the start, which you will be able to retrieve after you finish your race at the same place. The organizing committee is not responsible for any valuables left in this area. No baggage will be allowed to stay inside TA.

## WARM UP:

All the athletes can warm up in the designated area, to the right of the start area, every athlete must be out of the water 10 minutes before their respective start. It will not be permitted to warm up on the swim course.

## PRE START:

All competitors will be called to the pre start holding pens 10 minutes before their start.

## SWIM: 250 meter

The swim start and finish is at Nizuc beach, in the south part of Cancun, It will be an in-water start and you will swim counter clockwise on a triangle shaped course to which athletes will have to swim one lap, there will be big buoys at the corners.  
 The water temperature for the month of November in Cancun is likely to be around 26°C, therefore wetsuits will not be permitted.

## BIKE: 6.67 km

Course is 2 laps starting at the Nizuc Beach towards the hotel zone (sea side), and turn around on point "B".

While riding over Kukulcan Blvd., there will be two – way bicycle traffic, cones will be dividing the lanes along Kukulcan Boulevard, and crossing the center line along the Blvd. will be penalized with DQ. There will be race officials at every turnaround and along the course, as well as timing mats. The course is flat.

## RUN: 1.67 km

Course is 2 laps starting at the Nizuc Beach run towards the airport (sea side), and turn around on point "C".

## AID STATIONS:

There will not be aid stations during the bike course.

During the run course you will find one aid station at the turnaround.

## FINISH LINE:

There will be a protocol medal presentation to overall three elite male and female elite teams. The ceremony will be held approximately at 5:15 p.m. It is compulsory for these teams to be present.

### BAGGAGE STORAGE:

Located in Nizuc beach parking lot, next to the starting pens, you will find a tent, where you will be able to check in any baggage before the start, which you will be able to retrieve after you finish your race at the same place. The organizing committee is not responsible for any valuables left in this area. No baggage will be allowed to stay inside TA.

### WARM UP:

All the athletes can warm up in the designated area, to the right of the start area, every athlete must be out of the water 10 minutes before their respective start. It will not be permitted to warm up on the swim course. Doing so can result in DQ.

### PRE START:

All competitors will be called to the pre start holding pens 10 minutes before their start.

### IMPORTANT:

Medical assistance will be provided in bike - run transition. Athletes who may need serious medical assistance at this point will not be allowed to continue. Medical decision will be irrefutable.

### SWIM: 500 m. - 1 lap / 1500 m. 3 laps

The swim will be on a rectangular shaped course to which athletes will have to swim 1 or 3 laps, depending on the distance of their respective category. Swim will be counter clockwise and each competitor is responsible for counting its own laps.

Water temperature for the month of November in Cancun is likely to be around 26°C, therefore wetsuits will not be permitted.

### BIKE: 13.3 km - 1 lap / 40 km - 3 laps

The bike will be along the Kukulcan Boulevard towards the airport, continuing on to the highway to Tulum and then to Merida, until turnaround (6.67 km.) and back towards TA. There will be two-way bicycle traffic at all times, so crossing the center line is prohibited. The bike course will be closed to vehicle traffic. Each competitor is responsible for counting its own laps.

### RUN: 3.3 km - 1 lap / 10 km - 3 laps

The run will be along the Kukulcan Boulevard towards the hotel zone (sea side), until the turn around (1.67 km) and head back towards the finish line. Each competitor is responsible for counting its own laps.

### AID STATIONS:

There will be one aid station during the bike course. During the run course you will find one aid station at the turnaround.
